

ESANS E-Credit Program Details

In Fall 2008, ESANS released the entire 2009 schedule of events, enabling our members to determine for annual budgeting purposes which events they would foresee participating in. ESANS has developed this incentive program for our members to promote growth of the association, and encourage a high level of member involvement in initiatives and events we facilitate for the benefit of the environmental industry.

The following table of benefits will be of high interest for all members who intend to participate in several ESANS events, or who may seek special rates for having many representatives at a single event. ESANS Credits (E-Credits) may be redeemed for event registration, sponsorship, booth space, and other special promotional opportunities ESANS will offer during the year and/or work with E-Credit holders to create.

Total Payment	ESANS Adds	Total E-Credits	Your Savings
\$500	\$170	\$670	25%
\$1,000	\$500	\$1,500	33%
\$2,000	\$1,200	\$3,200	38%
\$3,000	\$2,100	\$5,100	41%
\$4,000	\$3,200	\$7,200	44%
\$5,000	\$5,000	\$10,000	50%
