

The
Nova Scotia Invasive Species Working Group

Invites you to

STEPPING UP

PLANNING FOR THE CHALLENGES
OF INVASIVE ALIEN SPECIES IN NS

Wednesday 03 December & Thursday 04 December 2008

A workshop to inform, engage, and coordinate stakeholders in addressing the issues of invasive alien species (IAS) in Nova Scotia. Join us in setting IAS objectives for the province, and get involved in planning for the future.

K.C. Irving Environmental Centre
Acadia University
Wolfville, NS

Registration Information and Agenda to Follow
